## Pax Novis

THE PAX ANNULS BOOK 1

Cira Antares is deeply loyal to two things: Pax Novis—her mother’s ship that transports supplies across war-torn star systems—and her personal mission to save war orphans. But hiding them as stowaways on the ship is illegal, and if any of them were found, not even her mother could protect Cira from the consequences.

She has successfully kept her secret...until supplies start to go missing. Food. Clothing. Tools. All signs point to her stowaways, but they wouldn’t do anything to risk exposing themselves—or her. Especially not Riston, the oldest of the group and someone Cira has grown close to. Someone she might even be falling in love with...

And petty thefts are only the beginning—whole ships are disappearing now.

Not caught in a firefight. Not destroyed by another planet. Vanishing. Without a trace.

And Pax Novis is next.

But how can her squad of ten stand against an army of ten thousand?

Calling in help from every ally she’s made in Ryogo, Khya tries to build a plan that won’t mean sacrificing her friends or her brother. ## Loyalty and Lies

LAGUNA TIDES BOOK 2

Sometimes you hit rock bottom and discover a whole new level of suck.

Moving to California last year was supposed to distance Axl Derringer from the drinking, drugs, and dangerous friends he left in Chicago after they landed him handcuffed to a hospital bed. It worked until Homecoming night when he broke his sobriety and blacked out.

One month later, Axl's girlfriend Gloria tells him she's pregnant, that he's the father, and that it happened on the one night he can't remember. And it's all downhill from there: mandatory AA meetings, visits to his probation officer, and dealing with the stress of Gloria's vicious rumors plus a visit from his Chicago friends. To top it all off, he's forced into a project partnership with Gloria's best friend Rory, a girl who kind of wants to kill him.

A paternity suit, betrayals of trust, insurmountable loss—it's basically the senior year from hell. After a while Axl starts to believe that not even proving that Gloria is lying will be enough to put his life back together again. But then hope appears from one of the last places he expects and he realizes he may finally be ready to trust someone with his heart.
